Saint-Martin-de-Seignanx, France | Driving licence (B)

Trained in physics, chemistry and mechanical engineering, I am now specialising in oceanography: numerical modelling, instrumentation and data analysis. I am particularly interested in ocean circulation in the Bay of Biscay.

EDUCATION

Master's in Marine Sciences, Physical and Biogeochemical Oceanography track (OPB) 2025 – present
Aix-Marseille University, OSU Pythéas – Marseille, France
Coursework: 3D ocean modelling, numerical solution of partial differential equations, marine physics, ocean biogeochemical cycles, instrumentation, data analysis.

Bachelor's degree in Physics and Chemistry (Licence) 2021 – 2025
Université de Pau et des Pays de l'Adour (UPPA) – Anglet, France
Graduated with highest honours (mention Très bien), ranked first in class.

Engineering school, third year – Mechanical Engineering 2023 – 2024
INSA Toulouse – Toulouse, France

Preparatory classes for the Grandes Écoles (CPGE), PCSI track 2020 – 2021
Lycée René Cassin – Bayonne, France
Intensive undergraduate programme in mathematics, physics, chemistry and engineering science.

French Baccalauréat, science track (S) 2020
Lycée René Cassin – Bayonne, France

EXPERIENCE

Master's research internship (M2) 2027 (upcoming)
AZTI – Pasaia, Spain

Research assistant in physical oceanography Apr. – June 2025
SIAME laboratory, UPPA – Anglet, France
Design and fabrication of rough rocky bedforms using Jesmonite. Introduction to wave physics, energy dissipation by bottom friction, and applied statistics.

Physics, chemistry and mathematics tutor 2022 – 2023
UPPA – Anglet, France
Tutoring of first-year undergraduate students in Physics and Chemistry.

Seasonal lifeguard Summers 2021 – 2026
SMGBL, La Centrale beach – Capbreton, France
Deputy head of a lifeguard station with a team of 12 lifeguards (rescue and first aid).

SKILLS

Proficient	Python, Fortran 90, Ocean Data View (ODV), LaTeX, CREO, Microsoft Office
Working knowledge	CROCO, MATLAB/Simulink, R, CATIA, Fluent
Languages	French (native); English (good spoken proficiency, TOEIC 750); Spanish (beginner)

INTERESTS

Coastal lifesaving (Association des Nageurs Sauveteurs de Capbreton); first aid at public events (DPS); swimming, running, surfing, weight training, yoga; guitar; nature and wildlife.
